

What's the Buzz?

with Deez L'Town Beez

Hello friends and fellow keepers!

Honey for the Holidays

Christmas is just around the corner and Deez has a wonderful product line for those special people on your gift-list. In ancient times, honey was considered a precious commodity and often was used as a form of currency. Today, honey is still seen as a symbol of abundance and generosity. The gift of honey shows someone how much you value their friendship and wish them well. We thank you for supporting our small business over the years and wish you a blessed holiday season.
